ANNOUNCEMENT

We are delighted to announce that the Hon'ble Bishop Chairman has appointed Rev. S. Sam Sudalaiyandi, M.A., M.Phil., M.Th as the Correspondent of our School with effect from 23rd January 2026. The School extends a warm and heartfelt welcome to him.

FROM THE PRINCIPAL'S DESK MRS. STELLA AMMU. A

By the grace and blessings of Almighty God, we begin this year with hearts full of gratitude and hope. The month of January was a testament to His unwavering guidance and provision.

We commenced the year with a spiritually enriching Communion Service on January 3, led by Rev. Sam Sudalaiyandi Vice chairman of the School Trust, Correspondent and District Superintendent, where we gathered as a school community to reflect and pray for God's continued blessings.

The school reopened on January 5, and we thank God for the safe return of our students and the smooth transition back to school activities.

Throughout the month, our Monday and Friday assemblies served as meaningful moments to reflect on our values and to give thanks for the achievements of our students and staff, all made possible through His grace.

In addition, every Wednesday morning, students participated in Scripture and Moral Classes, nurturing spiritual growth and character development. Wednesday evenings were dedicated to Teachers' Bonding Time, fostering unity, encouragement, and mutual support among the staff. Friday evenings continued to be a time of Teachers' Fellowship, strengthening faith and togetherness among the faculty.

The first revision sessions for Classes X, XI, and XII were initiated, and we are grateful to God for granting strength, wisdom, and perseverance to our dedicated teachers and hardworking students as they prepare for the forthcoming board examinations.

Our PTA on January 10 was a blessed occasion, where parents and guardians joined us in celebrating the growth and achievements of our students. We thank God for the continued partnership and support of parents in nurturing our children.

Our school also celebrated Republic Day on January 26 with great enthusiasm and patriotic spirit. The programme instilled a sense of national pride, unity, and responsibility among the students, reminding them of their duties as responsible citizens of our nation. Scouts & Guides Camp was conducted successfully on January 23 and 24, during which students gained valuable life skills, discipline, leadership qualities, and teamwork, all under the loving and protective care of God.

The school also joyfully conducted its Annual Sales Day on January 31, in which both students and teachers actively participated, making the event lively and meaningful. The programme encouraged creativity, cooperation, and practical learning, while strengthening confidence and a strong sense of responsibilities among all participants.

As we move forward into the year, we continue to seek God's wisdom, strength, and abundant blessings in every aspect of our school's journey. May His unfailing love guide us as we work together for the holistic development, success, and well-being of every child entrusted to our care. May God bless you all.
