FROM THE PRINCIPAL'S DESK

MRS. STELLA AMMU. A

With profound gratitude to the Almighty God for His abundant blessings and gracious guidance, we successfully concluded another productive and eventful month in our institution. Special extended coaching sessions were conducted for the students of Standards X and XII from 7:30 a.m. to 6:30 p.m., ensuring comprehensive preparation for their forthcoming public examinations. We deeply appreciate the unwavering commitment and perseverance demonstrated by both our students and dedicated faculty during this rigorous period.

A warm and memorable Farewell Programme was organized for our Standard XII students, offering them our heartfelt blessings and best wishes as they embark on new journeys. In addition, a Career Guidance Programme was conducted in collaboration with Soka Ikeda College, equipping our senior students with valuable insights to make informed decisions about their academic and professional futures.

On February 10, the Practical Examinations for Standard XII were conducted smoothly and successfully. On the same day, Deworming Phase II was administered to promote the health and well-being of our students.

Our 52nd Annual Day was celebrated with great enthusiasm and vibrant participation on February 13, presided over by our Episcopal leaders. The occasion was marked by cultural excellence, unity, and joyous celebration, reflecting the spirit of our institution.

We are proud to announce that Lokesh Raju of Standard IV secured prizes in a Karate Championship held on February 16 and also won a trophy in the Silambam competition, bringing laurels to our school. Certificates were awarded to students who participated in a project organized by Puthiya Thalaimurai, held at Sethu Baskara MHSS.

We gratefully acknowledge the generous contribution of Tejaswar (XII S), Lakshaya (XII S), and Gowtham (XII Arts), who donated a ceiling fan to the school as a token of gratitude and service.

Register numbers were issued to Standard X students. And on the same day an individual photographs were taken to our UKG for their Graduation Certificates. We are also proud to share that two of our esteemed teachers served as judges during Project Week at Anita School, exemplifying our staff's expertise and professional excellence.

The Seetha Lakshmi Carrom Tournament was conducted in the Sri Vidhya Niketan School, our school students participated and won the winner and runner champions.

The Social Day celebrations for Standards X and XII were conducted successfully, fostering camaraderie, teamwork, and school spirit. Mrs. Amall Vincent, Headmistress (Opportunity School, Vepery), graced the occasion as the Chief Guest, inspiring our students with her presence.

We thank God for His continued blessings upon our institution. Let us advance with renewed enthusiasm, unity, and steadfast dedication toward academic excellence and holistic character formation.

May the Almighty continue to guide and bless our school community in all our future endeavors.
